Correction from Scarlett Rucker-Misikir: My aunt, whose obit was in the last newsletter (Vol. 18, No. 1), Esther Blondel Rucker, was the daughter of William E. and Anna Mae Carey (not Anna Carey Moss).

Who was William H. Rucker?

Joyce Rucker, in looking for her family in Erath Co., Texas, found a tombstone for William H. Rucker and his wife, Charlotte, buried in Mt. Marion Cemetery, Strawn, Palo Pinto Co., Texas.

William H. Rucker

born Dec 23, 1884

died 15 Jan 1967

Charlotte V. Rucker

born April 5, 1882

died March 4, 1964

Neither Joyce nor I knew who he was. Joyce submitted the 1900 census in which William H. Rucker was living with his uncle and aunt, Thomas E. and Frances E. Rucker and grandmother, Martha, age 69.

The only clue was he was "living with his grandmother, Martha." I found him in the 1910 Coke Co., TX and 1920, Erath Co., TX; but I really needed to look at earlier census records. Of course, William wouldn't be in the 1880 census as he was born in 1884. However, I did find some siblings in earlier census records.
